Women's Secrets

There is one man in the United States who has perhaps heard more women's secrets than any other man or woman in the country. These secrets are not secrets of guilt or shame, but secrets of suffering, and they have been confided to Dr. Pierce in the hope and expectation of advice and help. These women have been disappointed in their expectations by the fact that 98 per cent. of all women who consult Dr. Pierce or his able staff, have been absolutely cured. Such a record would be remarkable if it were treated by numbers only. But when it is applied to the treatment of more than half a million women, in a practice of over 40 years, it is phenomenal. Dr. Pierce to the gratitude accorded him by women, as the first of his kind in the treatment of women's diseases.

Loss of Time Means Loss of Pay.
Kidney trouble and the ills it breeds means lost time and lost pay to many a working man. M. Balent, 1214 Little Penna street, Streator, Ill., was so bad from kidney and bladder trouble that he could not work, but he says: "I took Foley Kidney Pills for only a short time and got entirely well and was soon able to go back to work, and am feeling well and healthier than before." Foley Kidney Pills are tonic in action, quick in results—a good friend to the working man or woman who suffers from kidney ills. Schramm-Johnson Drugs, five stores.
